TREASURY TO AUCTION CASH MANAGEMENT BILLS

The Treasury will auction approximately \$20,000 million of 14-day and \$35,000 million of 14-day Treasury cash management bills. The noncompetitive and competitive closing time will be 11:30 a.m. eastern daylight saving time for both auctions.

Tenders will not be accepted for bills to be maintained on the book-entry records of the Department of the Treasury (*TreasuryDirect*).

Up to \$1,000 million in noncompetitive bids from Foreign and International Monetary Authority (FIMA) accounts bidding through the Federal Reserve Bank of New York will be included within the offering amount of each auction. These noncompetitive bids will have a limit of \$200 million per account and will be accepted in the order of smallest to largest, up to the aggregate award limit of \$1,000 million.

The auctions being announced today will be conducted in the single-price auction format. All competitive and noncompetitive awards will be at the highest discount rate of accepted competitive tenders. The allocation percentage applied to bids at the highest discount rate will be rounded up to the next hundredth of a whole percentage point, e.g., 17.13%.

NOTE: Competitive bids in cash management bill auctions must be expressed as a discount rate with two decimals, e.g., 7.10%.

This offering of Treasury securities is governed by the terms and conditions set forth in the Uniform Offering Circular for the Sale and Issue of Marketable Book-Entry Treasury Bills, Notes, and Bonds (31 CFR Part 356, as amended).

Details about the new securities are given in the attached offering highlights.
